A photograph of a business meeting in progress. Several people in professional attire are seated around a long wooden table, focused on writing in notebooks. In the background, a person stands near a whiteboard. The scene is brightly lit, suggesting a modern office or training center environment. The text 'BUSINESS INTELLIGENCE INSTITUTE' is overlaid in white, uppercase letters in the upper right quadrant. A decorative dashed white line forms a zig-zag pattern in the lower right corner.

BUSINESS INTELLIGENCE INSTITUTE

The first training center specialized in
business computing technologies and
methodologies.

With more than 200 courses and seminars
throughout the national territory!
